Students of Sara Mercado's first grade class at Towamensing Elementary School collected the most donations for Dream Come True in their Zimmerman's iced tea containers. The class on an average collected \$16 per student to win an ice cream party. The promotion will end for the school year on May 17 when the winner for the top prize of an iPod will be chosen. Several children at the school were recipients of dreams through the Dream Come True, Blue Ridge Chapter in recent years. The Zimmerman's iced tea promotion to raise funds for Dream Come True will continue in the fall. Anyone interested in learning more about the project should contact Gail Maholick at 610-533-9311 or Debbie Imbriaco at (610)826-7057 for information.
